

**Table 1: Fees for permit issuance**

Where applicable, all fees to the town and to the State (Department of Environmental Quality) are to be paid prior to permit issuance. Fifty percent (50%) of the Town VSMP Authority permit fee must be paid at the time of plan submission. The remaining 50% and the State portion will be paid upon notice that the plan is ready for approval. The Town is not currently accepting payment for State portion of the VSMP Fee. This must be paid directly to the Department of Environmental Quality.

## Table 2: Modification & Transfer Fees

Fees for the modification or transfer of registration statements for the General Permit for Discharges of Stormwater from Construction Activities

If the general permit modifications result in changes to stormwater management plans that require additional review by the Town such reviews shall be subject to the fees set out in the table below. The fee assessed shall be based on the total disturbed acreage of the site. In addition to the general permit modification fee, modifications resulting in an increase in total disturbed acreage shall pay the difference in the initial permit fee paid and the permit fee that would have applied for the total disturbed acreage in Table 1. Fees specified in this Subsection go to the Town.
